Attached are the logos (in high res?) that were used on the GLWQA cover page for cover pg of the PRP.

Below is the Cat + ISBN which I'm being told is all we need (don't need Copyright since this is not housed on the ECCC website).. I'm double-checking one issue since the title under "1" below has the year at the end whereas our cover has it at the beginning and hoping that doesn't change anything for these numbers. Use this for now:

1. Progress Report of the Parties 2016.

Cat. No.: En164-53/1-2016E-PDF

ISBN: 978-0-660-06365-2

2. Rapport d'étape des parties 2016. (I'll use this on Fre version)

No de cat. : En164-53/1-2016F-PDF

ISBN : 978-0-660-06366-9

Subject: Update on Progress Report of the Parties

Hopefully these updates are helpful...

My understanding is that Ash will need to transition over to making sure things get translated, so Lyndzi and me will be responsible for the final edits for the PROp.

As of yesterday PM, I now have all of the proposed edits from EPA and ECCC. I'm currently ensuring all the changes get made in track changes in the Word document provided by Battelle. I should have that before noon today.

Lyndzi is making sure we have been responsive to Battelle's request for high-resolution images, including making sure the images we sent are indeed the right ones (including the AOC image without the U.S. AOC in Recovery symbol, and the updated Nearshore Framework "flowchart"). Amy, Lyndzi may be contacting you directly if there is any discussion needed. (Lyndzi, Amy's number is 614-424-3431.)

The current target is to have a final English version completed by Noon Monday, with the goal of having both the English and French version actually posted by COB Monday.
